This squad is for juniors that have little or no tennis experience. The sessions provide players with a sound knowledge of simple moving, hitting, throwing and catching skills, and basic racket skills.

Friday 4-5 pm

Mini Tennis Orange for players aged 6-9

Players continue to develop their tennis skills, and work on improving their rallying and serving using medium bounce balls and simple scoring.

Friday 5-6 pm

Mini Tennis Green for players aged over 9

For improvers aged 9-11 or those progressing from red and orange, provides the transition to full court tennis. The aim is to get players to rally from the baseline and use full tennis scoring.

Sunday 3-4 pm

Teenage Development

This programme can take players from the age of 10 to 18 and caters for children and young adults who want to take their tennis up a notch. The sessions focus on stroke techniques e.g serving and volleying, and the tactics of singles and doubles play.

Under 13 Monday 4-5 pm

Under 18 Monday 5-6 pm

Match Events and Mini Competitions

All those taking part in any of the sessions above will be eligible to participate in competitions which will give them the opportunity to regularly compete against players of the same age in an environment which will develop their game technically, tactically, mentally and physically. Times to be advised

Adult Coaching

Beginners

The beginners course is an excellent introduction to tennis and refresher course for those that have not played for some time or have never received coaching before. It introduces players to the basic strokes and tactics, including topspin forehand, backhand, serve & volley.

Sunday 1-2 pm

Intermediate

Designed for the more experienced player who wants to add to their game, teaching more specialised strokes & tactics for doubles and singles. If you aren't confident on the basics, try a Beginners course first, but if you're ready to move on, this course is ideal.
